Ask yourself How are we doing?

The virtuous circle...

You ask (and flatter).

You thank (and flatter).

You report (and flatter).

You cannot flatter too much.

“Even when people perceive that flattery is insincere, that flattery can still leave a lasting and positive impression of the flatterer.”

Donors by age (percentage)

For eyes over 60...

AIGA recommends 14 pt. for body copy.

What do “readers” really see

- Artwork: 80 percent
- Photos: 75 percent
- Headlines: 56 percent
- Briefs: 31 percent
- Captions: 29 percent
- Text: 25 percent*

*This number is abnormally high, according to Poynter Institute researchers. They tested prototypes rather than actual publications. Prototypes invariably produce higher, more positive numbers than real publications. *Source: Ann Wylie*
