- **All eyes on the Union Budget - Focus on Affordable Homes and Infrastructure to expand volumes**

Office

July - Dec 2014

While residential market in 2014 remained subdued, office real estate across India has seen a turnaround due to –

- Signals of recovery in domestic and US economies
- IT/ITeS and Banking, Financial Services & Insurance sectors maintaining their momentum and emergence of E-Commerce driving the demand
- Sentiments amongst the stakeholders remain upbeat with the new government's focus on measures to make India a healthy investment destination
