This is an **old revision** of this page, as edited by [Greenock125](#) ([talk](#) | [contribs](#)) at 20:13, 6 January 2018 (→ *Singles*). The present address (URL) is a **permanent link** to this revision, which may differ significantly from the **current revision**.

Canadian singer [Michael Bublé](#) has released nine studio albums, three live albums, nine EPs, seventeen singles, and fourteen music videos. His records are being distributed by the label [Warner Bros. Records](#) and also by its subsidiaries [Reprise Records](#) and [143 Records](#).

Bubl  debuted independently in 1995 with his first EP, *First Dance*. In 2001 and 2002 he released the albums *BaBal * and *Dream* respectively, without any record company support. In 2003, he signed a record deal with [143 Records](#) and released his first studio album *Michael Bub *, which was very successful. On May 23 of that year, he released his first live album, *Come Fly with Me* and later his second and third EPs, *Totally Bub * and *Let It Snow*. On February 8, 2005 Bub  released his second album, entitled *It's Time*, which ended up with several certifications for its high sales. In the same year he issued his second live album *Caught in the Act*, launched a special Christmas edition of his self-titled studio album which obtained a silver certification in the UK and also his fourth EP, entitled *More*. His fifth EP, *With Love*, followed the next year and achieved a gold certification in the US.

In 2007, he released his third studio album, *Call Me Irresponsible* and the next year released his sixth EP, *A Taste of Bub *. Bub 's third live album, *Michael Bub  Meets Madison Square Garden*, was released on July 16, 2009 and his fourth studio album, *Crazy Love*, saw release in October of the same year. In 2011, he released his fifth studio album, *Christmas*, which contained carols and collaborations with [The Puppini Sisters](#), [Thal a](#) and [Shania Twain](#). This album is considered the most prestigious of Bub 's because of its many certifications and is one of the best-selling albums of 2011. The same year he released the EP *A Holiday Gift for You*, which contains extra songs that were not included on the *Christmas* album. Bub 's ninth and latest studio album *Nobody But Me* was released on October 16, 2016.
